Profile

A band formed in 2013 by musicians from Japan and Italy.

Italian Fabio Bottazzo (guitar), who is active in Japan and Europe; Hideko Kimura (piano), Kazufumi Tsuchimura (bass) and Shinichiro Kamoto (drums) each of which has played with European musicians.

They play a variety of original songs, written by all the members, based on modern jazz with some rock and ethnic taste, as well as jazz standards with interesting arrangements.

They have just announced their first album, with 8 original compositions from all the members, lyrical melodies where you can feel European flavors, catchy contemporary sounds sublimated to high dimension, from 4 beats rhythms to drum&bass style.

Since 2013, they continue to tour every year in search of their personal sound. This ensemble is becoming more and more popular, evolving interplay through communication during playing.
